from anywhere!

To prioritize community health and safety, our building will not be open to the public and our staff will be working remotely. We have modified our programs and services so we can continue to provide programming and support to all.

Virtual Counseling & Advocacy

We will continue to provide free, confidential counseling and advocacy to those who need it. You can visit our website to learn more about our current counselors (wrac.uiowa.edu/counseling). To make an appointment or for more information, please contact wrac@uiowa.edu.

Virtual Volunteer Programming

YOU can get involved with WRAC! We will be shifting our training and activities online for the semester but we will still be offering opportunities to get involved in social justice campaigns, event planning and programming, current events discussions, and opportunities for personal growth and development.

All volunteers are asked to submit a Volunteer Information Form which can be found on our website: wrac.uiowa.edu/get-involved.
