All of us at WRAC care deeply about the health and well-being of students, volunteers, staff, faculty and members of the whole community. In order to do our part in reducing the chance of spread of the COVID-19 virus, we are making some changes.

Effective Wednesday, March 18, our staff will be working remotely, and our building closed. No in-person meetings, events, or activities will be held, and no evening or weekend activities will take place on site. We are working to develop alternative ways to host events and foster community; stay tuned to our email messages, social media, and website as plans take shape! You can find us on the web at www.wrac.uiowa.edu, on Facebook at https://www.facebook.com/WRACuiowa, and on Instagram at https://www.instagram.com/wrac_uiowa.

We will be available (with some possible delays in responding) by voicemail (319-335-1486) and by email at wrac@uiowa.edu.

We remain dedicated to our mission to advance equity, and will respond and assist in any way we can, during this public health crisis. We urge everyone to do what they can to be part of the solution.

We are in this together. Always.
